

Dear Sir, Mrs....

This is a letter of referral for “A gardener and a gentleman” landscaping services. I have been doing business with Gary for about 6 months now and to this point the service has been good. Gary is concerned about a quality job and satisfying the needs of our business. It is also important to note that Gary is very “hands on” and this ensures good communication and a job done right the first time.

A handwritten signature in black ink, appearing to be the name 'Grant', written in a cursive style.
